Students had 57.1% knowledge of math, 73.4% own reading. The one-to-one partnership with Apple's Pequea Valley was part of a deal with tech giant Apple, where Macbook laptops were handed over to every high school student. This program started in the 2011-2012 school year, and this One-to-one curriculum is the way Pequea Valley accomplishes its goal of mass learning, or Expanding from the birth of a one-to-one program, there has been a lot of expansion in high school, and even down in elementary schools. This is the result of the growth that students have shown in their performance as a result of the program. There are currently laptops for every student in grades 5-12, and these students (this is what PVSD calls their students, since they claim MCL does not teach. They are taken home every day by students to use for school work or extracurricular activities. The Athletic Pequea Valley High School Varsity football team holds the 2012 state title.
